What is a REAL ID

Congress enacted the REAL ID Act in 2005, which created minimum security standards for types of identification. A REAL ID compliant Hawaii driver license or Hawaii ID meets these standards in order to be used for federal identification purposes.

The City and County of Honolulu offers REAL ID federal compliant driver's licenses and state ID cards marked with a gold star. Beginning May 3, 2023, federal agencies, such as the TSA, will require a REAL ID compliant driver license or ID.

On May 3, 2023, Oahu residents will need a REAL ID-compliant driver's license, state ID or another form of federally acceptable identification, such as a passport or military ID to:

- Board domestic commercial flight
- Enter a military base
- Enter a federal facility that requires a federally acceptable identification.

Do you have to get a REAL ID?

Until May 3, 2023, all Hawaii driver license and state IDs are compliant for federal purposes. After that date, each card must stand alone with the star in a gold circle marking.

No one is required to hold a federally-compliant REAL ID. The REAL ID is optional. After May 3, 2023, Hawaii driver licenses and ID cards without the REAL ID marking continue to be valid until expiration and can be used to drive, vote, access hospitals, visit the post office, access City and County of Honolulu facilities, or apply for public assistance. Upon renewal, you can request a non-compliant limited purpose driver license without the star in a gold circle marking.

Visit the U.S. Transportation Security Administration website for alternate documents that are acceptable for boarding commercial domestic flights and accessing federal facilities.

| Driver's License Type | Standard | REAL ID |
|---|----------|---------|
| Driving | ✓ | ✓ |
| General identification purposes | ✓ | ✓ |
| Boarding a domestic flight beginning May 3, 2023 | ✗ | ✓ |
| Entering a federal or military facility beginning May 3, 2023 | ✗ | ✓ |

You can hold only one REAL ID, either a driver license or state ID.

How much does a REAL ID cost and when will it expire?

There is no extra cost for a REAL ID-compliant driver license or state ID card. The cost of obtaining and renewing a driver license or ID card remains the same. They are valid for two, four or eight years and expire on your birthday.

| Driver's License | Cost |
|---------------------------|------|
